Additions to and deletions from the listing of positions are effective upon notification to the incumbents of the positions added or deleted.

(e) The Secretary or the Director may modify the listing at any time one or both of them determines that the listing submitted by the Head of a State Regulatory Authority indicates that coverage is not sufficient to carry out the purpose of the law or the regulations of this part.

(c) New employees and new members of advisory boards and commissions representing multiple interests are not required to file an annual statement on the subsequent annual filing date if this date occurs within two months after their initial statement was filed.
